

Wyndham Central College

Year 7 Instrumental Program

Continuation of Instrumental Lessons

Dear Parents/Guardians

Your child _____ has been receiving instrumental music lessons at Wyndham Central College in Term One.

All students who have taken up the introductory lessons in Term One must now decide if they would like to join our mainstream instrumental program on their selected instrument. Please keep in mind that Term Two fees are **already paid** from the \$50 bond that was paid at the start of the term.

Yes, my child would like to continue with instrumental lessons in Term Two

- *Please note that on some occasions, students are able to swap to another instrument. This must be in consultation with Ms Butcher and the instrumental teachers.*

Parent Signature _____ Date _____

No, my child will not be continuing on with instrumental lessons next term.

- *Please see front office for return of bond*

Parent Signature _____ Date _____

Please sign and return to the Music Department.

Students who are not continuing on with lessons, must return their instrument in good working order before the end of term.

Thank you for your support and co-operation.

Sue Butcher

Director of Music
