

No. 10: 16 July 2016

The Wyndham Central College Career Newsletter will be published fortnightly to keep students informed of events relating to their career pathways. It will include information regarding tertiary pathways – University & TAFE – as well as employment/industry pathways. The Careers Office, in the Student Services Centre, is a resource centre for our students with current institutional handbooks and brochures at their disposal. Students are invited to visit, browse and question. An open door policy exits to ensure students make informed decisions about future pathways. Initial Year 12 interviews have been completed to assist students with the momentous decisions facing them this year. Year 9-11 Career Interviews had a staggered commencement in May and have now concluded. Parents/guardians are welcome to take advantage of the services provided. Appointments can be made to discuss the future pathways of their children. The Years 7 to 11 Careers Programs will be finalised this term. The Year 12 Pathways & Application Process will commence in the next few weeks.

Career decisions are some of the most important ones of your life, so getting help in making those decisions is vital.

Career News is one source of information available to you.

Students who do their research during Year 10-12 usually find it easier to make some career decisions at the end of Year 12.

HOW TO GET THE MOST OUT OF OPEN DAY VISITS...

Don't wander aimlessly....try these:

- Get an Open Day Guide, eg from www.openday.unimelb.edu.au, or www.monash.edu/openday and be there when relevant information sessions are on
- Allow **sufficient time** for your visit; two hours or so would be advisable
- Speak to staff/students about courses which interest you note your questions beforehand
- Collect information/brochures
- Ask about industry based-learning (IBL) opportunities; these can assist with gaining employment
- Ask about **international study** opportunities a popular option
- Consider **transport** issues; is the campus accessible from where you live?
- Check the environment where you will study; will you be happy there for three/four years?
- Consider the **facilities/clubs** offered at your preferred institution
- Consider a rural campus ATAR's are often lower at rural campuses and they often offer other advantages.

NOTE: If you plan to apply for a course involving an **interview/folio presentation/audition** as part of the selection process, **attendance is A MUST! You might be asked what you learned at Open Day.**

YEAR 12 NEWS – APPLYING FOR COURSES

Applications are usually made on the Victorian Tertiary Admissions Centre (VTAC) website, opening on Mon 1 August, with timely applications closing on 29 Sept (see www.vtac.edu.au).

You will be able to apply for up to **eight courses**, placing them in **the order you most want them**. You will be offered a place in **the highest course in your list** for which you meet the ATAR/Selection requirements/pre-requisite subjects.

As we know, some **circumstances** can spoil a student's academic achievement. Tertiary institutions are aware of this and offer **alternative entry schemes** taking into account **short- and long-term disadvantage**. While many are offered through the single **Victorian Tertiary Admissions Centre (VTAC) SPECIAL ENTRY ACCESS SCHEME (SEAS)** application process, others require application to the institution. **Note**: SEAS applications cannot be completed until you have made a course application through VTAC.

LA TROBE UNIVERSITY'S ASPIRE PROGRAM...

Applications are open. Aspire recognises **the positive impact** a student has had on their local community.

La Trobe has updated the **'How to Apply' page** with tips and given a **sample application**. Frequently asked questions:

- What ATAR must I achieve for the Aspire program? Most courses have a minimum ATAR of 50, although some professional degrees have higher requirements
- Do I have to arrange anything for my school recommendation? No, La Trobe will contact the school so you only need to advise which school you attend
- Do I still have to apply through VTAC if I get an Aspire offer? Yes your Aspire course should be your highest eligible preference. If you list a different course that you are eligible for above your Aspire offer, you will be made an offer into the different course and your Aspire offer will become void.

ARE THERE REGULATIONS WHEN EMPLOYING A CHILD?

Yes! Some people are unaware that employing a child under 15 years of age involves **strict regulation**, with **heavy penalties** (up to \$10,000) for **breaching** them (for the employer or the parent/guardian who allows it). If a child is offered work, it would be wise to be aware of, and follow, these regulations.

See: www.workforce.vic.gov.au – go to Hiring and Managing Staff, then to Employing Children, OR call a **Child Employment Officer** on 1800 287 287.
