Welcome to our monthly Parent Newsletter. Our aim is to keep parents informed of upcoming events and important dates to remember.

3rd February, 2014

FROM THE PRINCIPAL

Welcome to the start of 2014

All of our students commenced on Wednesday and we were delighted with their positive approach on the first day. For all of our students in Yrs 8-12 it was straight into week 3 of their teaching program after a very successful step up program at the end of last year. This is commendable behaviour by all of our students. For our new students in Yr 7 and other year levels they too have had a good start to life at Wyndham Central College. During my walk around I have observed our new Yr 7’s beginning to use the Cornell note taking system with great enthusiasm. This is one of the key aspects of the AVID program which all of our Yr 7’s undertook last year and will continue to use now in all of their studies at Wyndham Central.

In this newsletter Ms Karlovic has provided a report on the VTAC offers which were very pleasing for our students. The VCE results for the 2013 cohort have shown excellent improvement with a mean study score of 27. This places us in the top 3 state secondary schools in the Wyndham region which is a great achievement given our current building challenges and I am extremely proud of both the cohort and the dedication shown by all of my staff to deliver the best possible outcomes for our students.

Uniform Expectations

It is the expectation by our school that all students will wear the correct school uniform with pride. They all looked magnificent this week and many have commented on how good they feel to be wearing such a smart uniform. A copy of the uniform policy is in the newsletter.

Building Update

The major building works are progressing well in spite of the extreme heat. The old canteen/amenities block has been demolished making way for the central courtyard landscaping to begin. Several of the key teaching blocks are on track for occupying in Term 2 whilst the new Administration/Staff Centre is underway with a completion date in June.

We are looking forward to this year as our new buildings come online and will be providing numerous opportunities for our families to visit.

Warm regards

Julie Myers
Principal

Could all parents please ensure that the school has your current mobile, home and if appropriate work phone numbers. In an emergency situation the school needs to be able to contact parents immediately.
School Council Elections 2014

SCHOOL COUNCIL ELECTIONS

The time has arrived once again to conduct the election process for members to the School Council at Wyndham Central College.

Nomination forms may be obtained from the college Administration Office and must be lodged no later than 4:00pm on Friday 24th February, 2014. The ballot will close on Friday 11th March 2014.

Following the closing of nominations a list of the nominated individuals will be posted at the college. The term of office membership categories and the number of positions in each membership category open for election are as follows:

<table>
<thead>
<tr>
<th>Membership Category</th>
<th>Term of Office</th>
<th>Number of positions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parent member</td>
<td>From the day after the date of declaration of the poll in 2014 to and inclusive of the date of the declaration of the poll in 2016. *except in the instance of a resignation or is no longer eligible as stated in the Ministerial Order</td>
<td>3</td>
</tr>
<tr>
<td>DEECD employee member</td>
<td>From the day after the date of declaration of the poll in 2014 to and inclusive of the date of the declaration of the poll in 2016. *except in the instance of a resignation or is no longer eligible as stated in the Ministerial Order</td>
<td>2</td>
</tr>
</tbody>
</table>

If the number of nominations is less than the number of vacancies, a notice to that effect and a calling for further nominations will be posted in a prominent position at the school.

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?

There are three possible categories of membership:

- **A mandated elected Parent category.** More than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child’s school as long as they are not employed at the school.

- **A mandated elected DEECD employee category.** Members of this category may make up no more than one third of the total membership of school council. The principal of the school is automatically one of these members.

- **An optional Community member category.** Its members are appointed by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

The term of office for all members is two years. Half the members must retire each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?
The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

**Do I need special experience to be on school council?**

No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

**What do you need to do to stand for election?**

The principal will issue a notice and call for nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DEECD employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the school council where their child is enrolled.

Once the nomination form is completed, return it to the principal within the time stated on the notice of election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

If there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

**Remember**

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

**Contact the principal for further information.**

**MIDDLE YEARS REPORT**

The Middle Years students have made an excellent start to 2014 building on 2 weeks of Step Up from 2013. Please can you ensure that if any students have missed any of the first few days they will need a note to cover this. They will also need to catch up on any missed work.

HANDS ON LEARNING COMES TO WYNDHAM CENTRAL.
(in conjunction with the Victorian Hands on Learning organization)

True to its name, the learning process involves some year 8, and 9 students being taught to tackle real, practical, large and small ‘trade’ projects and being involved in all possible, safe stages while being properly supervised and instructed.

The day includes, planning, designing and organising, using a large variety of tools, equipment and newly learned skills - all safely carried out within the Education Department, industry accepted and school guidelines.

To do the teaching and mentoring, the Hands On Learning team have created “Artisan Teachers” who are authorised to work with small groups of students; 10 per day over 2 days. In Wyndham Central’s case, we welcome Mick Downie and Rob Eyton, chosen for their spread of technical and industrial skills plus some valuable life skills to pass on.

It is well known that many pupils excel best in physical, hands on, practical or creative endeavors, bringing a well-deserved sense of achievement, enthusiasm, and ownership of their project. This is the outcome that the school seeks to achieve.

The overall project is in the process now of being established and will be fully operational at the latest beginning term 2. Students will use one day a week of their schooling time to learn these valuable skills for their future. If you are interested in this educational opportunity please contact Mrs. Harvey on 9741 4911.

WYNDHAM CENTRAL COLLEGE UNIFORM POLICY 2014

It is the policy of the College that all students wear our school uniform with pride. This is in keeping with our aim of developing in students a feeling of belonging, respect and a sense of identity. The positive image that the college presents to the community is also given high priority. Students must wear the uniform on each school day, to and from school and the uniform must be presentable at all times.

Students are to wear their uniform during sporting events, excursions and when representing the College. Individual pieces of the College Uniform must bear the College logo.

The uniform has been designed for easy maintenance, student comfort and student protection. All pieces must be named for easy identification in the event that they may be misplaced.

General Uniform

- Jeans, cargo pants, leggings and fleece track suiting material are not to be worn to school under any circumstances. Students will not be permitted in class wearing these items. T-shirts or any other casual sports shirts are not acceptable.
- No garment other than those stated in the uniform requirements are to be visible, t-shirts worn under shirts and socks beneath stockings. Out of uniform clothing that can be seen under the uniform are not acceptable – e.g. hooded tops, T-shirts with logos etc.
- Ties must be worn at all times when a shirt is worn for both boys and girls. The top shirt button must be fastened and the tie tightened to fit under the collar.
- Shirts to be tucked in at all times. Blazers, jumpers and PE jackets are not to be worn around the waist.
- Dress/Skirt length - All school dresses and skirts must be of knee length. Boy’s shorts must be of knee length.
- Blazer - All students are expected to own and wear the blazer to and from school every day except with the PE uniform. Wearing the blazer while at school is optional. On extremely hot days (over 32 degrees) an announcement is to be made at the end of the day telling students that they do not have to wear their blazer on their way home. Students do not need to wear blazers on these days. Jumpers are not to be worn as the outer garment to and from school.
- School shoes - Only black leather shoes are permitted. Lace ups for boys and girls and T-Bars are also permitted for girls. Runners, canvas and skate shoes are not acceptable.
- Earrings - For safety reasons, only studs or small sleeper earrings may be worn in ear lobes only – 1 per ear.
- Jewellery - Fashion jewellery or accessories of any kind are not to be worn. One wrist watch is acceptable.
- Piercings - Facial piercings and other jewellery cannot be worn. Due to OHS obligations, students will be asked to remove piercings or to use a flat clear plastic insert.
- Hair - Student’s hair must be of a natural colour, such as brown, black or blonde. Hair is to be neatly groomed appropriate to the wearing of uniform and off the face at all times. When the hair is tied back the accessory must match the colour of the uniform. Unusual fashion models as determined by the college that are not in keeping with the school uniform are unacceptable. This includes haircuts below a number two, mohawks, spiked hair, horns, dreadlocks, braids, tails, unwashed hair or any unnatural hair colour.
• Tattoos - Whilst tattoos are not endorsed by the college, students who do have a tattoo must ensure that the tattoo(s) is/are not visible at school or travelling to or from school.

• Backpack - Each student is to have a WCC backpack which has been designed to accommodate both the netbook and the weight of the books. By wearing it correctly as a back pack across both shoulders then any future back or shoulder issues can be reduced. All student’s backpack, books, diary and school equipment are to be free of graffiti and any type of non-school label or stickers.

• Makeup/Nail Polish - Students who choose to wear excessive make up and nail polish will be asked to remove it.

• Tights - Only Navy blue allowed. No black tights and no socks to be worn with tights. Tights are to be work only with the winter uniform. In summer, students can wear nude stockings.

• Socks - Male students are to wear grey and female students are to wear white socks.

• Hats/Caps - Hats or caps with the Wyndham Central logo can be worn but no hats are to be worn inside.

• Scarf - If a scarf is worn it must be the same colour as the school jumper, i.e. teal for senior year students and navy for middle year students.

• Badges - Students are only permitted to wear badges on their blazers that have been issued by the school. Any badges worn must only be worn by the student to whom the badge was issued.

**Physical Education Uniform & Sport Uniform**

• Footwear - Sport footwear is only to be worn for Sport or Physical Education – these must be supportive sport shoes. Canvas and skate shoes are not acceptable.

• Zip up PE jacket can only be worn with the PE uniform. The school jumper cannot be worn with the PE uniform. PE uniform can only be worn for PE classes, not for training sessions during lunchtimes and after school.

• Year 11 and 12 students must wear the college uniform every day and change for physical education where applicable. No notes are acceptable for physical education uniform being worn in place of their correct uniform.

• Spray jackets can be worn during school hours and also over blazers to and from school in wet weather.

Students who are out of uniform may be asked to return home to change into the correct school uniform. In such cases, parents or emergency contacts will be contacted. Otherwise students may be removed from class and supervised individually before any action is taken. Students will also be removed from class if facial piercings cannot be removed or covered under the OHS policy.

When the full uniform cannot be worn for some extraordinary reason, parents are asked to notify the tutor teacher or year level leader in writing. Students who are not wearing the complete uniform may be timed out of classes until the appropriate items are brought to school by the parent/guardian.

In achieving our vision of creating a community of high expectations we ask that all parents work with us in partnership to support the uniform policy.
