9th December 2013

FROM THE PRINCIPAL

End of Year
This year all students have completed end of year exams and I would like to congratulate all for the positive way they have approached them. It has been very gratifying to see how well our students have adjusted to this requirement and I am sure that when they receive their results they will appreciate the feedback. After the exams the Step Up program followed and provided nearly 2 weeks of solid introduction to the 2014 work programs with the strong expectation that all students will complete the holiday homework over the coming break. The work covered in the Step Up program will NOT be taught at the start of next year when school resumes.

Awards Night
Students who are receiving awards are expected to attend the Awards night function on Monday 16th December in full school uniform as per letter and must be present for roll marking between 6.00 - 6.30pm. Any students who arrive after 6.30pm will not be able to participate and will not receive their award unless they have submitted an apology prior to 3.00pm on Monday 16th December.

Important Dates
2013
The last formal classes for 2013 will be held on Wednesday 11th December. The compulsory Parent/Tutor/student re-enrolment interviews* for Years 7-10 will be held on Thursday 12th and Friday 13th December. If you have not attended an interview then please make contact with the front office to book your appointment and confirm your enrolment for 2014.

Monday 16th December will be the rehearsals for the Awards evening while on Tuesday 17th – Thursday 19th December there will be school clean up days to close the school for the Christmas break.

During this week (Monday 16th – Thursday 19th December) the canteen will NOT be open as it is relocating to the new Café building and preparing for 2014. Students who are attending the school clean up days won’t be allowed to leave the school to buy food elsewhere.

Building Update
The new Gymnasium is taking shape in its location by the oval while the foot print for the Administration/Staff Centre has been marked. Behind the front of the school out of vision the old Arts centre and the Tech wing are also being transformed into the new Middle Years Centre and Trade Training Centre. We look forward to returning in late January to see great progress in each of these areas.

Note:
Next year all newsletters will be available online from the website.
As this is our last newsletter for 2013 I would like to acknowledge the commitment and dedication shown by all of the staff at Wyndham Central College. It has been a very pleasing year with our students having a very clear understanding that at Wyndham Central College they are expected to be at school every day, on time, in correct uniform and ready to learn.
Wishing you a very safe and relaxing time with your family and friends over the Christmas period.

Warm regards
Julie Myers
Principal

MIDDLE YEARS REPORT
I would like to take this opportunity on behalf of all of the middle years staff to thank you for your support at Wyndham Central over the past year. We are very much looking forward to a good year ahead of us with many student successes.
We wish you a safe and Happy Christmas and hope you have many happy days with your children over the holidays.

YEAR 7 REPORT
The year has come to a close fairly quickly, and we’re already at the end with Christmas only a couple weeks away. The year 7 students have had an eventful year and have overall made a successful transition from primary to secondary school with students being keen to begin year 8 and get into the swing of things again. Yes, the year 7s have experienced a range of emotions throughout the year, beginning with apprehension at starting at a new school and getting to know new teachers and peers, through to now feeling confident and happy with their teachers and friends, and embarking on another new chapter as they continue their secondary schooling.
The school year has been exciting for students being exposed and participating in a range of activities. These include learning new languages such as Spanish and Japanese. A number of students also participated in a range of interschool sporting events including netball, basketball, football, table tennis and rugby. All students were also involved in whole school sporting events including the Swimming Carnival and the Athletics carnival. In both instances students represented their college exceptionally well and also wore their house colours with pride during the carnivals. Students also participated in the Multicultural Festival and celebrations during Footy Week.
The year 7 had their core exams on the 29th of November and the 2nd of December. The students were keen to do well, and are getting excellent practise for the demands required as they continue through their secondary schooling. Step Up where students met their 2014 Year Level Leader and tutor teachers has also begun and the year 7s are now considered year 8s with increasing demands of expectations and workload. The Tutor Teacher conference with parents and students is scheduled for Thursday 12th of December and Friday 13th of December and provides a further opportunity for parents to meet with Tutor Teachers.
We wish all the year 7 students, their families and friends a very happy and safe Christmas and New Year! We hope the festive season brings you joy and cheer and we look forward to the 2014 year.

**SENIOR YEARS REPORT**

We have had a very successful Step Up program with our VCE students in which the students commenced their 2014 classes and received their holiday homework which will assist in ensuring a smooth transition into next year. Year 10 (2014) students have begun their Step Up program this week and will complete this on Wednesday 11th December, followed by the compulsory Parent/Tutor Teacher conferences occurring on Thursday 12th and Friday 13th December (please refer to previous correspondence).

The College has recently celebrated the success of our Year 12 students at the Valedictory dinner where subject awards were presented to students along with our most prestigious awards: The Norm Thompson and the Caltex All Rounder. It was a great night of celebration and dancing and one that I am sure the Year 12 students will remember for a long time. Congratulations to all of the Year 12 students who have achieved their goal of completing their VCE and on behalf of all of the staff at Wyndham Central College we wish you the best of luck in your future studies and career aspirations.

As the year draws to a close I would like to make a special thank you to all the parents of our senior students for their ongoing support throughout the year. I wish everyone a safe and happy Christmas and look forward to working with you all again next year.

Senior Years Assistant Principal

**YEAR 10 REPORT**

Wow it’s hard to believe the year is over! We’ve had a few challenges along the way but I am very pleased to see that all the hard work from students, parents and teachers has paid off, our students have successfully completed their studies and moved into year 11. I would like to thank all of our parents, carers and students for making the effort to attend the parent/tutor/student conferences. The conferences were very well attended and are an integral part in really making a positive difference by getting each student off to the very best start for their 2014 program. All students have begun their studies for next year via the ‘Step Up’ program and have been given holiday homework to complete over Christmas and submit to their classroom teacher on the first day back.

I would especially like to thank the Year 10 tutor teachers for helping make every initiative that was implemented this year a success. Some of the highlights include Shape Your Destiny, Work Experience, Straight Talk, Year 10 Formal, Keys Please and Victoria University Experience Day. Ms Cole, Ms Siragusano, Mr Eadie, Mr Sheriff and Ms Curtain your work with these students has been outstanding and I know our students appreciate your efforts even on the odd occasion when they forget to show it.

I will be continuing to working with this year group again in 2014, we’ve come a long way since the start of Year 9 and it’s been especially rewarding to see the way our/your children have grown into the responsible young people they are and I’m looking forward to seeing a real commitment to their studies over the last two years of their time at Wyndham Central. With your ongoing support, excellent teaching and a strong work ethic each students really can achieve their dreams. Have a safe, deserved and enjoyable holiday and come back refreshed and ready to make Year 11 a resounding success.

Daniel Pearce
Yr 10 Year Level Leader

**ENGLISH 2014**

The English program has begun with Step-Up and all students have work to be completed during the holidays. The year 7 and 8 curriculum will be based on the AVID strategies of Writing Inquiry Collaboration Organisation Reading which will be used in every lesson.

Each student has a booklet that outlines the requirements and assessments for their year level.

Students are expected to have all their texts to start the year.

All students are expected to have completed their holiday homework and have that ready to submit to their teacher on the first day.

**After school classes will be available to students each Wednesday 3-4pm.**

**Additional assistance will be available on request.**

SRC 2013
Thank you to all of the students who were part of the SRC this year. 2013 was a busy year for the SRC in which they attended a state-wide leadership conference, organised 4 out of uniform days, met with local MP’s, ran lunchtime activities, had an insight into the plan for the new school buildings and met with Ms Myers to discuss issues affecting the student body.
The 2013 SRC has now finished and with the beginning of the 2014 step up program, new SRC representatives will be chosen for next year. Good luck to all the students who apply.

WYNDHAM CENTRAL COLLEGE 2013 INAUGURAL SHODOO COMPETITION (JAPANESE CALLIGRAPHY)
On Wednesday 27 November we hosted our first award ceremony to acknowledge the winners of the Japanese calligraphy competition years 7 to 9.
We were honoured to have Mr Hirohisa Ciba, Deputy Consular-General of Japan judge the award for Excellence and Ms Mariko Sato, Japanese Language Assistant at the Department of Education.
Shodoo means ‘the way of writing’ and is a much respected traditional Japanese art form. The kanji characters originated in China but have Japanese pronunciation.
Shodoo requires application of concentration, self-discipline, balance and confidence – all invaluable skills and attributes to foster in our students.
To celebrate the vision of our new school, Wyndham Central College and Japanese as a new language, it was decided to have the three school values as the kanji symbols for the competition – one per year level.
Below is the kanji by the winners of the Excellence Award as chosen by the Mr Chiba for each year level

AIME 2013
The Australian Indigenous Mentoring Experience (AIME) runs an Outreach Program that allows students in Years 9 to 12 to participate in 12 AIME sessions spread across 4 full-day visits to RMIT University in Melbourne. This year a small group of students from Wyndham Central College (as well as students from other schools in the Western Region) attended AIME. This is the second year Wyndham Central College has been involved with AIME. The goals of AIME are to improve student completion rates at school as well as increase the number of Indigenous students that progress into university. During the sessions students explore their goals and identity through a range of activities and games including writing and performing Hip Hop songs, making art works and role playing. This year AIME also ran “The Other Election” where students wrote speeches as the first Indigenous Prime Minister. Danae Haynes in Year 10 from Wyndham Central College was a winner. Her speech was voted to be one of the best in Australia and she will shortly be heading to Canberra to meet Prime Minister, Mr Tony Abbott and deliver her speech at a morning tea hosted by the Minister for Indigenous Affairs, Nigel Scullion in Parliament House as well as attend a function hosted by Her Excellency the Honourable Quentin Bryce at Government House.
JUST SOME VET NEWS FOR 2014

VET Fees:
There has been some people question VET fees so here is some clarification on the fee structure for 2014. Some TAFE colleges require some portion of the fees to be paid directly to them upon enrolling at the college. The two colleges where this occurs are the Gordon in Geelong (VET Beauty, Animal Studies and Printing & Graphic Arts) and the Dance Factory in Richmond.
What the college has done is reduce the cost payable to the school for courses at these institutions to account for this.
Example: Beauty - $300 to school and $200 to Gordon (similar to Make Up which is $500)
Graphic Arts - $350 to school and $50 to Gordon (total $400)
Animal Studies Year 1 - $300 to school and $125 to Gordon (total $425)
Animal Studies Year 2 - $300 to school and $135 to Gordon (total $435)
The school has tried to ensure that most VET courses have a balanced fee structure to support families and the students to pursue VET Courses.
Please ensure that a payment plan or remainder of the VET fees are organised with the office by the 29th January 2014.

VET Commencement Date:
VET commencement date is Wednesday 5th February 2014 unless told otherwise. A bus timetable for those students heading to other cluster schools will be communicated to the students a few days prior to VET starting.

Other:
- Most external courses have been confirmed but I am still waiting for Kangan to confirm the time for the year 2 Auto Course.
- The students are reminded to check the VETiS noticeboard on a regular basis for current VET News. This is where bus timetables and cancelled classes are listed.

VET Coordinator
