PATHWAYS INTERVIEWS/PROGRAMS...

The initial Year 12 Pathways Interviews have been completed. Year 12’s are now invited to stop by the Careers Centre to follow up on the discussions, research, etc. The VTAC Application Process and Other Pathways Application Process has commenced this term, run via their Tutor classes. Information was also disseminated via assemblies for both students (during Tutor time on Thursday 14 August) and parents (on Thursday evening, 14 August, 7pm H7 & H8) by Mrs Kathy Karlovic, the Pathways & Transitions Leader. All Year 12 students have attended the Tertiary Information Service (TIS) Event on Tuesday 15th July, held at Victoria University, Footscray Park Campus. The TIS event is an introduction to the VTAC Application Process followed by a mini tertiary institutional expo.

All Year 10 & 11 students are also invited to stop by the Careers Centre to book a pathways interview, visit the Careers Reference Centre, collect tertiary handbooks/brochures, etc. The Careers Program, which officially commenced last term for both year levels with an Introductory Careers Assembly, was administered via their MIPS classes. A letter was sent home to parents/guardians via students outlining the Careers Program. The purpose of this program for both the Year 10 & 11 students was to investigate career pathways and to select the appropriate program, either VCE or VCAL and subjects to study in Year 11 or 12, if the VCE program is selected. For the Year 11 students it is important for them to confirm that they have selected the correct program/subjects and to make an informed decision as to which subject they will not continue with the following year (in Year 12). Subject Selection Counselling for Year 10 students with their parents was held during Careers/Pathways Week on Wednesday evening, 23rd July. Letters were sent home advising parents of the details. The Pathways week consisted of a Pathways Expo with an applied and academic focus, a Subject Expo highlighting the programs and subjects on offer at Wyndham Central College for all our Year 9, 10 & 11 students and VCE/VCAL Subject Tasters for our current Year 10 students.

The Careers Centre is open to all students throughout the school day. It is run via interview bookings to ensure students’ needs are met. Students may also stop by – an open door policy – for a quick chat, followed by an appointment booking if necessary.

YEAR 12 NEWS...

APPLYING FOR COURSES FOR 2015

Hopefully Year 12’s have been searching the VTAC website for courses, and making a start on applications. Remember that once you have applied, you can change your application at no extra cost.

Application fees rise from $28 to $93 after 5pm on 30 September.

Remember to consider the ACU Early Achievers and the La Trobe Aspire Programs

Using these schemes, both universities look at contributions made (in addition to your ATAR) when making offers for their courses.

Also check out SEAS (Special Entry Access Scheme) on pages 30-43 of VTAC Guide. If you have been disadvantaged in some way, you may be able to access your desired course on a lower ATAR.

All applicants are advised to apply for Category 1, Personal Information and Location.

Applications close on 7 October.

OCCUPATIONAL THERAPY EVENING

Note the change of date from Thursday 11 September to Thursday 4 September.

‘WHERE GRADUATES GO’

Decisions about higher education are some of the biggest you will make. Where Grads Go is dedicated to helping you make informed choices by providing the latest information.

Figures here are from the 2013 Australian Graduate Survey, conducted by Graduate Careers Australia.

In 2013, the average bachelor graduate earned a full-time salary of $55,000.

Examples: engineering - $65,000; medicine - $60,000; education - $57,000; nursing - $52,000; social work and welfare - $55,000; visual and performing arts - $40,000.

Getting a job after graduation can be a different matter.
In 2013, full time employment of graduates was as follows (four months after graduating): in engineering: 82.6%; medicine: 96.9%; education: 70.8%; banking/finance: 75.4%; psychology/behavioural sciences: 56%; law/justice: 75.4%; visual/performing arts: 48.3%.

In some fields (eg engineering, nursing), most graduates work in the field they trained for. Graduates of other fields often find work in a wide variety of jobs.

Postgraduate study can lead to a higher salary and more likely employment.

DEAKIN UNIVERSITY NEWS...

NEW MEDICAL IMAGING DEGREE
Deakin is offering Medical Imaging from 2015 at its Geelong (Waurn Ponds) campus. Medical imaging (sometimes known as Medical Diagnostic Radiography) is the production of high quality images of the structure and function of the body to assist medical diagnosis and decision making.
Radiographers play a pivotal role in medicine and health care, contributing to improving patient outcomes. They work with doctors and allied health professionals.

The university is seeking accreditation with the Australian Health Practitioner Agency (AHPRA), with statutory direction provided by the Medical Radiation Practice Board of Australia (MRPBA).
Salaries range from $41,000 to $115,000 plus, depending on your position, experience, chosen work area and possible future study.

Pre-requisites: 3/4 English; biology, physics or chemistry; maths methods or spec maths.

WHAT IS MIBT?

Melbourne Institute of Business and Technology provides certificate and diploma courses in commerce, computing, engineering, health sciences, management, media and communication and science. The Diploma courses are offered in association with Deakin University campuses. This is an alternative pathway to university.

If successful in the Diploma, students are able to move to the second year of an appropriate degree. Consider applying through VTAC for MIBT (or other pathway institution such as La Trobe Melbourne or Monash College) if you are concerned that you may not achieve a high enough ATAR to access your university choices.
