

# Instrumental Music Student Agreement Form Year 7 Program

Dear Student and Parent/Guardian,

Wyndham Central College invests in resources for the Music Department to ensure that every student is given the wonderful opportunity to learn how to play a musical instrument. The school asks for a clear commitment from students wishing to participate in the Instrumental Music Program as well as Parents. This agreement aims to clarify the expectations of the School.

The Year 7 Instrumental Program allows all students to have **introductory lessons** on an instrument of their choice. A **\$50 bond** will be required to start the program. After the introductory lessons have finished, students who no longer wish to continue lessons, must return the instrument to the Music Department in good working order and the bond will be refunded in the form of a credit note. Students who decide to continue, will be allowed to keep their instrument and attend regular lessons with their instrumental teacher.
