

## Wyndham Central College Career News

No. 8: 03 June 2016

The Wyndham Central College Career Newsletter will be published fortnightly to keep students informed of events relating to their career pathways. It will include information regarding tertiary pathways – University & TAFE – as well as employment/industry pathways. The Careers Office, in the Student Services Centre, is a resource centre for our students with current institutional handbooks and brochures at their disposal. Students are invited to visit, browse and question. An open door policy exists to ensure students make informed decisions about future pathways. Initial Year 12 interviews have been completed to assist students with the momentous decisions facing them this year. Year 9-11 Career Interviews commenced this month. Parents/guardians are welcome to take advantage of the services provided. Appointments can be made to discuss the future pathways of their children. The Years 7 to 11 Careers Programs commenced this term.

### EXPERIENCE RMIT...

Would you like to learn more about studying at RMIT?

The RMIT '**Experience Days**' Event program is now available, giving Year 10 – 12 students the opportunity to attend free **events and engage in workshops** in **business, science, social impact, health and medical sciences, engineering, marketing and communications, property and project management and design**, and experience life on campus.

**Go to:** [www.rmit.edu.au/experiencedays](http://www.rmit.edu.au/experiencedays), then to **Event Program** for more information and to book.

The experience days are in the Term 2 holiday break.

### WHERE CAN I STUDY PHYSIOTHERAPY?

Physiotherapy is a popular choice of career, with many aspiring physiotherapists hoping to become **sports physiotherapists**. The reality is of course, that many physiotherapists **work in other settings** such as hospitals, community health centres, in mental health, and in rehabilitation, often with **elderly patients**.

In Victoria, physiotherapy is taught at **La Trobe, Melbourne and Monash universities**, and, from 2017, at **Australian Catholic University (ACU) in Ballarat**. The ATAR required for entry to physiotherapy is very high due to the popularity of the course, and to the fact that places are limited. **La Trobe** uses the ATAR for selection, **Monash** uses the ATAR and an interview, while at **Melbourne**, as with many of their degrees, physiotherapy is studied as a **post-graduate degree**. Applicants for Melbourne must have completed an undergraduate degree with human anatomy and human physiology subjects.

**The aim of ACU offering physiotherapy in Ballarat** is to help **tackle the shortage of healthcare professionals in the Ballarat region** by offering local training opportunities. There will be up to 50 student places. Purpose-built facilities will be available on campus and there will be access to laboratories, hospitals and health services in the region. **The prerequisites for the ACU course are:** Units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English, and a minimum study score of 25 in one of Biology, Chemistry or Physics.

### LA TROBE UNIVERSITY NEWS...

#### • WHAT IS THE ASPIRE GENERATION?

As noted previously, **La Trobe University** offers the **Aspire Early Admissions Program** for Year 12 students applying for La Trobe degrees (applications opened on 1 June and close on 31 August at [www.latrobe.edu.au/aspire](http://www.latrobe.edu.au/aspire)).

In addition, La Trobe desires to promote the **ambition of the next generation** to come together and **solve pressing issues** facing our **global communities**. As a result, La Trobe is launching the **Aspire Generation** for Year 10-12 students. This is a community of young people connected by their aspiration to **make a difference through community service and leadership**. The **Aspire Generation** will be empowered to **drive change** through **community engagement, volunteerism and leadership opportunities**. For example, La Trobe's recent partnership with **Orange Sky Laundry** underpins the ongoing commitment to driving social change. **Students in years 10-12** can [register their interest](#) online via the Aspire Generation page.
