### YEAR 12 NEWS...

- **APPLY WITH VICTORIAN TERTIARY ADMISSIONS CENTRE (VTAC)** – All Year 12 students have applied for courses for 2018 in the Careers Centre at the College ([www.vtac.edu.au](http://www.vtac.edu.au)).  
Remember, you can change your application as much as you wish at no extra cost (\$35.00) so long as you apply by 28 September. After that it will cost you \$103.00. You can also change your application once you have your ATAR in December, and between offers of places.
- **DO YOU WANT TO DEFER YOUR STUDY IN 2018?**  
Most university courses allow deferral for up to 12 months, so even if you plan a break from study in 2018, you are still encouraged to apply in 2017.  
Institutions have different deferment policies.

For the **deferment policies** of the various institutions see: <http://www.vtac.edu.au/courses-inst/institutions/deferment.html>.

- **SPECIAL ENTRY ACCESS SCHEME (SEAS)**

Don't forget to organise your SEAS application if you are eligible.

**Category 1** simply requires you to click the YES box and also to indicate whether you are the first in your family to attend university. All students have applied for Category 1.

**All other categories (2 – 4)** require you to **supply extra information or evidence**.

If you need assistance, please see Mrs Karlovic in the Careers Centre asap.

Applications close **5pm, 10 October**.

See: <http://www.vtac.edu.au/applying/seas.html>.

Don't leave it until the last minute to apply as it can take some time to organise some aspects of the application.

- **SCHOLARSHIPS**

Most institutions have scholarships available to applicants to ensure **equitable access to education** and to **reward academic excellence**. Some scholarships require applications to be made directly to the institution.

For all other scholarships, applicants should use the VTAC scholarship application [www.vtac.edu.au/scholarships](http://www.vtac.edu.au/scholarships).

**Examples - ACU** offers scholarships recognising everything from rewarding academic achievement to supporting equity with nearly 400 scholarships – some are a one-off payment, while others provide support for each year of a student's degree.

Eg. you could apply for the \$5,000 ACU Law Equity Scholarship which lends a hand to students from low socio-economic backgrounds.

**La Trobe** offers scholarships for a range of criteria, including **academic achievement**, along with scholarships for those having **disadvantage**. Students can search the newly updated website to find appropriate scholarships and read about requirements.

You are advised to check out all university scholarships.

NOTE: Some universities offer scholarships to second and third year students, so keep an eye on university websites.

- **HIGHER EDUCATION REFORM PACKAGE**

The Australian Government has announced a set of **proposed reforms to the higher education sector** within the 2017-2018 budget.

If legislation is passed by the Senate, there are **likely to be significant changes** to the levels of **student contributions** and **repayment thresholds**, and the **eligibility of non-Australian citizens** for CSP courses.

For information on HELP, student income support and Commonwealth scholarships see the Australian Government's Study Assist website at [www.studyassist.gov.au](http://www.studyassist.gov.au).

- **HOW DO I FIND OUT ABOUT COURSES AT UNIVERSITY AND TAFE?**

The new VTAC App brings together CourseSearch and the Prerequisite and Course Explorer.

The app is searchable offline and will update with any changes when the device is connected to the internet. Users can also save course entries to a shortlist so they can find them easily later.

The VTAC App is free - you can download it from the Apple App Store or Google Play.
