

The Wyndham Central College Career Newsletter will be published fortnightly to keep students informed of events relating to their career pathways. It will include information regarding tertiary pathways – University & TAFE – as well as employment/industry pathways. The Careers Office, in the Student Services Centre, is a resource centre for our students with current institutional handbooks and brochures at their disposal. Students are invited to visit, browse and question. An open door policy exists to ensure students make informed decisions about future pathways. Initial Year 12 interviews to assist students with the momentous decisions facing them this year have concluded. The second lot of Year 12 meetings to complete pathway applications – VTAC University & TAFE, Private Course, Pre- Apprenticeships etc – will commence in the next few weeks. Year 9-11 Career Interviews took place last term. Parents/guardians are welcome to take advantage of the services provided by the Pathways & Transitions Leader. Appointments can be made to discuss the future pathways of their children. The Years 7 to 11 Careers Programs will conclude in the next couple of weeks

REMINDERS...

- **Tertiary Information Service Event (TIS) – Year 12 Students:** Commencing the VTAC Application process took place on Thursday 18 July

Testing has commenced and ends on the 31st of July. Make sure you're aware of your preferred course's entry requirements.

Important VCAT Course Deadlines - 2019

Here are VCAT deadlines for your diary:

Applications for courses commencing in 2020:

Open – Monday 5th August at 9am.

Close – Monday 30th September at 5pm.

SEAS Applications

Open - Monday 5th August.

Scholarship Applications

Open – Monday 5th August

News & Updates

We hope you had an enjoyable and restful mid-year break and wish you all the best for a productive term 3. You will notice that the Open Day schedule has been included in the last few newsletters to ensure you are aware of your preferred institution's up and coming open days.

All Year 10, 11 & 12 Students have been given a comprehensive copy of the Open Day Calendar.

These events are a fantastic opportunity for students to get a feel for the culture, resources, staff, societies and courses offered.

To help make your tours less overwhelming, it is recommended that you have an plan of what you intend to see, do and explore on campus. Here are a few tips to get started!

1. Firstly, if you haven't already, research your areas of interest and the courses available (including entry requirements) to create your open day shortlist. (Visit: <https://www.vtac.edu.au>)
2. Register for each day you wish to attend. This will ensure you are aware of when all information sessions are being held and that you will be updated of any changes beforehand.
3. Get an 'Open Day Guide' from the institution's website before you attend their open day.

4. Plan your day. Allow sufficient time for your visit, two hours or so is advisable to explore the campus and talk with current students.
5. Tour nearby accommodation if you are planning to move closer to campus.
6. Finally when you're finished, review your options!

Remember:

If you're short on time during your open day visits, prioritise the parts of campus and the buildings or facilities you'll be most likely to use.

Also consider a rural campus, ATAR's are often lower at rural campuses and they can offer other advantages (eg smaller classes).

Goodluck and have fun!

ACU Update

Community Achiever's Program (CAP)

ACU has just announced their minimum ATAR requirements for 2020 entry for their Community Achiever Program (CAP).

The Community Achiever Program (CAP), formerly named the Early Achievers' Program (EAP), offers future students who are active in their community, early entry to their undergraduate course of choice. It also provides opportunities to enhance leadership and volunteering skills.

If you're successful in applying for the CAP, you could receive an offer to study at ACU as early as August!

To learn more, visit: <https://www.acu.edu.au/study-at-acu/admission-pathways/i-volunteer-regularly>

Deakin University Update

Health Sciences Course Information Session

When: 31st July, 6:00 pm – 7:30 pm

Where: Waterfront campus

Register here:

<https://www.eventbrite.com.au/e/deakin-health-sciences-course-information-session-registration-56077015864>

Deakin Nursing and Midwifery Course Information Session

When: Wed 7th August, 6:00 pm – 7:30 pm

Where: Warnambool campus

Register here:

<https://www.eventbrite.com.au/e/deakin-nursing-and-midwifery-course-information-session-registration-56078443133>

Macleay College Update

New course – Diploma of Digital and Social Media Marketing

Macleay College has campuses in Melbourne and Sydney and offer courses in Advertising and Digital Media, Business, Marketing, Journalism and Accounting. They are now adding a fully accredited 8-unit course in Digital and Social Media Marketing to their list which runs over 7 months. This course is designed to take students from beginner to expert in this rapidly evolving digital industry.

If this is of interest to you please contact jforde@macleay.edu.au or 0475 754 090.

Swinburne Update

New course – Bachelor of Laws/Bachelor of Criminal Justice and Criminology

This double degree is ideal for those who want to specialise in criminal prosecution, criminal defence or government policy development. To find out more, visit and/or enquire further at Swinburne's open day.

<https://www.swinburne.edu.au/study/course/Bachelor-of-Laws-Bachelor-of-Criminal-Justice-and-Criminology/?c=noread>

University of Melbourne Update

'Cyber Security' study options at UOM

The cyber security courses offered at UOM have been approved by and partnered with the Federal Government. This partnership ensures that UOM is actively informed about the future of cybersecurity in Australia.

There are two areas students can pursue after completion of their undergraduate degree, the technical world with the Master of Information Technology (MIT) or focus on business, policy and governance with the Master of Information Systems (MIS).

To read more on these specialist areas follow the following links:

MIT -<https://study.unimelb.edu.au/find/courses/graduate/master-of-information-technology/>

MIS –

<https://study.unimelb.edu.au/find/courses/graduate/master-of-information-systems/>

Victoria University Update

Vet Discovery Day

You can explore the VET courses on offer and the associated career opportunities at the VU Polytechnic VET discovery day. You will gain some insight into the range of VET courses offered, including areas in health, trades, beauty, hospitality, technology and more.

www.vupolytechnic.edu.au/vet-schools

For more information and to register, go to: www.vupolytechnic.edu.au/events/vet-discovery-day

Career Focus – Graphic Designer

Graphic Designers produce visual communications, including art and layouts of text for reproduction in print and electronic media such as magazines, newspapers, books and websites, as well as image designs for corporate identity programmes, exhibitions and advertising. Graphic designers may specialise in a number of fields including; brand and identity strategy, digital and web-based design, television, film and computer graphics, set and exhibition design, corporate design, book and magazine design, and advertising and illustration. They may progress to positions such as design directors, art directors or creative directors. The Australian Government projects that graphic designers, web designers and illustrators will see a 12.6% increase in employment opportunities within the next 5 years*.

Graphic designers:

- Talk to clients to get a clear understanding of their visual communication requirements and develop 'roughs' (sketches).
- Prepare comprehensive layouts of the design using techniques such as photography, illustration and computer-generated imagery.
- Identify communication problems and develop visual solutions.
- Present and propose designs to clients for approval.
- Prepare designs for print or digital publication and signage.
- Design and set up exhibitions for advertising or educational purposes.
- Supervise all design production stages, including arranging and supervising printing.

Graphic designers may work as members of a design team in design studios or advertising agencies, or alone undertaking consultancy or freelance work.

To be an advertising graphic designer, it is helpful to:

- Be creative and imaginative.
- Understand colour and form.
- Be able to work under pressure and meet deadlines.
- Have good communication skills.
- Have good marketing abilities.
- Be able to work as part of a team.

To become a graphic designer, you usually have to complete a VET qualification. Applicants may be required to attend an interview and/or submit a folio of work. As subjects and prerequisites can vary between institutions, you should contact your chosen institution for more information.

Entry into this occupation may be improved if you have a degree in graphic design or a related area such as digital media or visual communication design. To get into these courses, you usually need to gain your Senior Secondary Certificate of Education. Prerequisite subjects, or assumed knowledge, in one or more of

Wyndham Central College Career News
