AVID Australia's mission is to close the achievement gap by preparing all students for post-secondary education, skills development and work readiness so they can participate in a global community as productive citizens.

How do we do this at Wyndham Central College? We hold all students and teachers accountable to the highest standards and provide academic and social support.

We do this by teaching the WICOR strategies which underpins AVID in school wide and focuses on staff and students using the strategies to improve teaching and learning and ensuring each student achieves their full potential. These strategies are aimed at improving:

- W** Writing
- I** Inquiry
- C** Collaboration

Year 7 Enrichment Program

The Enrichment Program at Wyndham Central College provide students, who have been identified as gifted and talented, with a developmentally appropriate program.

- The program allows students access to learning opportunities that challenge and extend learning in chosen areas of curriculum and/or the development of a talent.
- In the enrichment classroom, students will be exposed to new ideas that are an extension of the regular curriculum.
- Students will be guided by their tutor teacher and their special mentor teacher to develop an authentic investigation in their area of giftedness and/or talent.
- This area of giftedness and/or talent will then be developed into an enrichment project.

Families interested in having their child participate in the Enrichment Program 2021 should contact their Primary School Transition Coordinator or the College for an Expression of Interest application.

Spanish Immersion Program - SIP

Wyndham Central College is one of the very few government schools in the Western Region to offer a Spanish Language Immersion Program . Students who gain entry into the program are provided with an exceptional and wonderful opportunity to learn about the Spanish language and culture in our bilingual education program.

SIP is designed for students with a passion for the study of the language and culture of Spain and exposes students to curriculum content and activities delivered in Spanish in their Mathematics, Science, Humanities and Physical Education classes, and most of their electives.

The percentages of the content taught in Spanish for each grade is up to:

- *70% English and up to 30% Spanish in year 8.*
- *60% English and up to 40% Spanish in year 9.*
- *50% English and up to 50% Spanish in year 10.*

By the end of year 10 students should be able to undertake VCE Spanish as most students are bilingual, bi-literate, and bicultural and are equally proficient in both languages with near-native fluency in the target language.

Attendance & Wellbeing Access your child's daily attendance records in real time and school support staff where together we can keep track of a student's journey through their timetable each day they enter the school gate.

Learning & Assessment where you can see a teacher's lessons, help to manage tasks and assignments and be about to track your child's progress in learning. This includes: Naplan results and student term and semester reports.

Our School monthly newsletters and important notes are posted to Compass

Attendance

It is a Department of Education and Training (DET) requirement that all students attend school each day of the school year. The Department of Education guidelines for attendance can be found on their website:

<https://www.education.vic.gov.au/school/principals/spag/participation/pages/attendance.aspx>

At Wyndham Central College to support us to support you in this aim we have a dedicated attendance officer who manages school attendance. Our processes include the following:

- A daily SMS when a student has not arrived at school by 11am. Phone calls are made to families if your child has an extended absence, and weekly calls are made by the student's tutor teacher.
- If a student is going to be away it is an expectation that a parent/carer will call the school or enter a note on Compass to explain why their child is away
- All students who are absent without reason will receive an absence letter when they have had a day off and we are unaware of the reason
- If your child needs to be collected early a note must be written in their planner. Students must go to the attendance officer to be signed out of the college.
- If a student is late to school they must collect a late pass from the Attendance office. A late arrival with no parent explanation/note may result in a school consequence.

Mobile Phones

Wyndham Central College complies with State Government law where no Mobile phones are permitted to be used on school grounds between 8.50am and 3.04pm.

If students have bought a mobile phone to school they must be turned off and stored in their lockers.

Limited exemptions to this policy may apply but only a small number of cases would a student be eligible, (i.e. they have a health condition). Should you think this is necessary for your child a parent/carer must apply in writing to the School Principal via the college application process. Please note exemptions can only be granted by the School Principal.

Parents are able to contact their children during the school day via the main administration office.

FAQ Frequently Asked Questions

Q: *Is there a waiting list at Wyndham Central College?*

A: No. Only students currently in grade 6 may apply for entry into year 7.

Q: *Will the zone be altered in future years?*

A: The zone is unlikely to change in the next few years, but the State or the school cannot guarantee that the zone will continue in its current form. The state of the current zone is shown on this website: www.findmyschool.com

Only houses on the inside of boundary roads are in-zone.

Q: *My partner is an ex-student. Does this guarantee a place at Wyndham Central College?*

A: No.

Q: *We have a child in grade 5. How can we find out more about the school?*

The website contains information. Future prospective parents are welcome to attend the annual Year 5 and 6 Information Evening (held in late March, early April each year – phone the school for the exact date). Parents can also obtain an Information Package for Year 7 given to Grade 6 parents/students who attend the Information Evening or from the Transition Coordinator at your child's current local school.

Frequently Asked Questions Page 2

Q: Are all prospective parents expected to have an interview at the school?

A: NO. Parent/Student interviews are invited to a interview as part of the application process for the Enrichment and Spanish immersions programs only.

Please note: Individual parent interviews included in transition are part of the 'parent's as partners' normal process once a student is accepted for Year 7.

Q: If we live out-of-zone, but in the "nearest school " category, will we be likely to gain entry?

A: IN-ZONE (1st) and SIBLINGS (2nd) take up an increasing number of positions. Wyndham Central College is experiencing increased enrolments in recent years and NEAREST (3rd) are unlikely to be successful.

Q: I have a business or family living within the zone. Does that mean I gain entrance to the school?

A: No. A student must be a resident in zone. Leased or owned property must be zoned residential and contain at least 2 bedrooms.

Q: Is a lease (rental agreement) adequate for an in-zone or nearest applicant?

- The lease must be current and for a minimum of 12 months and must extend to at least June 30 of the level 7 year. Documentary proof of residence is required; applicants may be personally visited without warning to verify students' residency.

Q: I live just one street outside the zone. Is that close enough to qualify as "in zone"?

A: Unfortunately, No.
