### Post School Qualifications

Why is completing a vocational or higher education qualification after school so important?

According to the My Career Match website:

Of the 13 million jobs in Australia in 2020, 11 million (85%) will require a Certificate III or higher. Four million (30%) will require a Bachelor degree or higher.

Many of the careers and jobs that are around today will disappear by the time students get their first job and many new careers will be created.

To read more about the future automation, globalisation and collaboration of the future workforce, read the following report by the Australian Foundation for Young Australians - <http://bit.ly/29ARTcf>

### **New La Trobe University Pathways**

The following is information from La Trobe about two new pathway options for the 2021 intake: ATAR is just one way to get into university and our research has shown it's not the only predictor of success. We recognise many Year 12s have had their year impacted so we've created two new free pathways that offer current Year 12s the option to study online at a university level in tandem with their VCE, HSC or VCAL.

We'll use their subject mark or average mark to calculate a La Trobe ATAR equivalent score, and if they also receive an ATAR in 2020 we'll use whichever result is higher to assess their application. You can research the pathway options below:

Achieve at La Trobe, <https://bit.ly/3epIH6H>

Prepare for La Trobe, <https://bit.ly/3evcSs6>

Note: Students can also still apply for the Aspire Program, <http://bit.ly/2v9WOLN>

### **ATAR Notes**

The ATAR notes website has resources for VCE and HSC students. You can download free exam preparation and summary notes for subjects and watch lectures. You can also access paid online tutoring for subjects and purchase subject guides.
