

Wyndham Central College Career News

No.17: 9 June 2021

The Wyndham Central College Career Newsletter will be published weekly to keep students informed of events relating to their career pathways. It will include information regarding tertiary pathways – University & TAFE – as well as employment/industry pathways. The Careers Centre, in the Monash Building, is a resource centre for our students with current institutional handbooks and brochures at their disposal. Students are invited to visit, browse and question. An open door policy is provided to ensure students make informed decisions about future pathways. Year 12 initial interviews were finalised recently to assist students with the momentous decisions facing them this year. Year 10 & 11 Pathways Meetings with a qualified Careers Practitioner will be rescheduled once school resumes. The Year 7 to 11 Careers Programs will continue remotely.

Important Dates

- **Year 7 - 11 Pathways Program continues this Term**
- **Melbourne Career Expo: Friday 23rd July – Year 12 Students attending**

Wildlife Conservation

Passionate about wildlife conservation?

You may like to explore the following courses as examples of what you can study at university:

La Trobe University

Bachelor of Science (Wildlife and Conservation Biology), <http://bit.ly/242qe30>

Deakin University

Bachelor of Environmental Science (Wildlife and Conservation Biology), <http://bit.ly/2dzOt9e>

For other vocational and higher education courses, search the Good Universities Guide, www.gooduniversitiesguide.com.au

Careers in Economics

Why Study Economics?

Careers with STEM hit up a team from the country's biggest employer of economists – The Reserve Bank of Australia – and asked them how they landed their roles, what they studied at high school and why their current gigs are so awesome

<https://bit.ly/2AlhDqj>

What Careers are there in Economics?

Careers with STEM and The Reserve Bank of Australia have developed a free 8-page careers e-magazine just for you!

Download it at <https://bit.ly/3h8AIC7>

Have You Considered Vocational Education and Training (VET)?

Have you considered pursuing vocational education after school?

Research shows that 4/5 parents would prefer their child to go to university after school over vocational education and that many young people and parents don't understand the benefits of vocational education and training (e.g., TAFE, apprenticeships, traineeships).

2017 Australian research suggests that:

- 9 out of the 10 top occupations predicted to have the most jobs growth are in vocational training areas.
- The median full-time income for a vocational education graduate is \$56,000 vs \$54,000 for someone with a bachelor degree.
- Nearly eight in 10 vocational education graduates have a job soon after training, vs about seven in 10 university graduates; and
- More than nine in 10 trade apprentices have jobs after finishing training.

You can read the research report at this link - <https://bit.ly/2l0YzIR>

Careers in Agriculture

Defying the Drift Program

This program is for Year 10 and 11 students interested in pursuing a career in agriculture. Year 12 students may also be able to apply.

The cost of the program is \$350 and the applicant will need to secure partial funding from a local Rotary Club.

There are two parts to the program:

Part 1: The participant will complete a 3-day residential program at Longerenong Agricultural College (near Horsham) in September.

Part 2: The participant will present to their sponsoring Rotary Club about their experience in the three-day program.

Information - www.defyingthedrift.org

2022 National Youth Science Forum (NYSF)

In Year 11? Love STEM? Want to engage in a life changing experience?

You should consider applying for the NYSF.

Wyndham Central College Career News

No.17: 9 June 2021

This is a two-week on-site and digital program where students are immersed in hands-on science activities, lab experiments, field trips and meet researchers who are leaders in their field.

In-person STEM visit days and events will be held over a week of the program at major city hubs across the country, enabling students to meet each other and network with like-minded peers.

A continuous program of digital events will run alongside the in-person events meaning the program is accessible to all.

The program will be held during January 2022. Applications close Friday 2 July. For more information and to apply, go to www.nysf.edu.au

The Santos Science Experience

The Santos Science Experience is a fun 3 days of science activities for Year 9 and 10 students. Each program is designed to provide students who have an interest in science with an opportunity to engage in a wide range of fascinating science activities under the guidance of scientists who love their work.

Participants perform experiments in the laboratories, meet and hear senior lecturers in the lecture theatres, attend site visits and walk around and experience what it is like to be on the campus of a university or tertiary institution.

The program also provides information about further studies in science, technology and engineering. It highlights the wide range of careers that allow students to pursue their interest and abilities in the sciences

The program is running at the following two universities during the term break:

RMIT University

Date: 29 June – 1 July

Swinburne University

Date: 7 – 9 July

For information and to register your place, visit www.scienceexperience.com.au

Study Security Studies at University

Are you interested in humanities, politics, foreign affairs and law? Have you considered studying security studies? The following are examples of courses you can study:
