

Wyndham Central College

2026 DEVICE PROGRAMS

Wyndham Central College understands the importance of technology in assisting students with their learning, and will support students in developing digital literacy, fluency, and citizenship, and prepare them for the future world in which they will live, learn, and work.

In 2026, Wyndham Central College will continue a Managed Device Program through our partnership with Learning with Technologies, along with allowing students to bring certain approved devices to school.

MANAGED DEVICE PROGRAM

Learning with Technologies (LWT) offers four different laptop models that meet Wyndham Central College's minimum device specifications, can be configured and connected to the school's network, and be supported by the IT Department for warranty repairs and claims. See over the page for details on each model.

LWT provides multiple payment options to suit your needs and 3 year onsite standard education warranty insurance. Accessories can also be purchased including bags, mouse, headphones/earphones, and USB.

To purchase a laptop, use the Learning with Technologies purchasing portal at <https://wyndhamcentral.orderportal.com.au/>.

For assistance with placing orders, contact the college to make an appointment:
Ph: 03 8744 8900 | Email: wyndham.central.sc@education.vic.gov.au

BRING YOUR OWN DEVICE (BYOD) PROGRAM

Students can bring a device purchased outside of the LWT Managed Device Program to school. To ensure smooth and reliable technology access, we have set the following technical specifications for all personal devices. Note that support from the IT Department will be limited for these devices.

| BYOD Minimum Specifications | BYOD Recommended Specifications |
|--|--|
| Laptop running Windows OR an Apple MacBook | 6 hour battery life |
| Wi-Fi Connection only (no Cellular connection) | Intel N100 or i5 / AMD Ryzen 5 / Mac silicon M Processor |
| (Tablets will NOT be supported) | 8 GB Memory |

MANAGEMENT & INSURANCE

All student devices will be required to have the school's Management Software installed (refer to the Digital Technology at Wyndham Central College – Acceptable Use Agreement).

Wyndham Central College does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities (refer to the Personal Property Policy).

These documents are available on Compass (using parent/carer login details) and are located within the Policies & Handbooks folder:

<https://wyndhamcentralsc-vic.compass.education/Communicate/SchoolResources.aspx>.
