Dear parent/carer,

2027 YEAR 12 PARENT CONTRIBUTIONS ARRANGEMENTS

This letter provides information about voluntary contributions you can make to support Wyndham Central College for 2027 and other payments you can choose to make.

Victorian government schools provide free instruction. This means all students have free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.

Some families choose to make a voluntary financial contribution to support the school, and we are very grateful for this support. Making a voluntary contribution is your choice. There is no expectation or pressure for families to contribute.

Wyndham Central College offers a range of items and activities that are additional to the free instruction provided to all students at our school. Financial help is available for extra-curricular items and activities if you are experiencing financial hardship (see further details under Financial Help for Families in the attached information). For a confidential discussion about how to access the financial help available, please contact Administration to arrange a meeting.

Wyndham Central College has an arrangement with the following supplier for the materials that you can buy: **Campion Education**.

If you do not buy these items, your child will still be provided with what they need, however they may not be provided with these items to own, or keep, on an individual basis. You can find information about the digital devices our school recommends on the 2027 Device Programs document provided and published on our website.

You can buy a digital device from **Learning with Technologies (LWT)** or you can buy a device meeting the Bring Your Own Device (BYOD) Program specifications from any other retailer.

FAMILIES CAN CHOOSE TO CONTRIBUTE

Schools can invite 2 types of voluntary contributions:

Voluntary contributions	Tax deductible contributions
Used towards enhanced educational programs and school environment, and additional resources and opportunities offered by schools	Used towards building and/or library fund (for those schools who have such funds)

Schools must advise the carers of students in out-of-home care and parents and carers who hold a financially means-tested card (such as a healthcare card) that the invitation to make voluntary contributions does not apply to them.

In addition, schools can invite parents and carers to pay for optional:

- Extra-curricular items and activities that go beyond the curriculum - for example, school photos, some excursions and some camps.

FINANCIAL HELP FOR FAMILIES

Each school has a contact person who can discuss with parents and carers the financial supports that are available.

Schools must publish their Parent Contributions arrangements on their school website, along with a link to the department's Parent Contributions policy.
